

SUMMER 2021

Preschool (PS) Ages 3-5

School Age K-2nd

School Age 3rd-5th

Schedule: Monday-Friday 9:00 -11:30

Cost: \$95 / Cooking Camps \$105

June 14-18

PS: Little Builders

PS: Princess

K-2nd: Garden Art

3rd-5th: Messy Art

June 21-25

PS: Frozen

PS: Dino Dig

K-2nd: Under the Sea

3rd-5th: STEAM

June 28- July 2

PS: Messy Science

PS: Under the Sea

K-2nd: Lego

3rd-5th: Chocolate Fever

July 12-16

PS: Fun with Color

PS: Bug Lovers Unite

K-2nd: Cooks & Books

K-2nd: Sweet Treats

3rd-5th: Food Around the World

July 19-23

PS: Little Chefs

PS: Fairy Tale Mix Up

K-2nd: Arts & Crafts

3rd-5th: Games, Games, Games

3rd-5th Sweet Treats

July 26-30

PS: Messy Art

PS: Star Wars

K-2nd: Wacky Summer Olympics

3rd-5th: Stop Motion

Camp Descriptions

PRESCHOOL CAMPS (PS) AGES 3-5

Bug Lovers Unite: We'll find them, feed them, draw and make them. Bugs are friends! Join Ms. Fecher to bug out over our littlest animal friends!

Dino Dig: Learn about the different types of dinosaurs and the time in which they lived. Measure dinosaurs & make your own dinosaur eggs. Become a real paleontologist as you dig in our 2 fossil pits and uncover 600 million year old fossils with Mrs. Blasko

Fairy Tale Mix Ups: Did the big bad wolf really just want a cup of sugar? Who mixed up all the fairy tales? Can we make a house out of sticks or straw? This week we'll see with Ms. Fecher.

Frozen Disney's Frozen is one giant fairy tale of the Snow Queen. Learn more about this famous & fabulous tale with Mrs. Studer and then go on a magical adventure as you make crafts, put on puppet shows and make your own book.

Fun With Color: Let's get creative and see what we can make using all colors & materials from simple stained glass to tie-dyed art projects with Mr. Hildebrand.

Little Builders What can you build today? We will be using legos, blocks, Lincoln logs and crazy, giant blocks to use our math, problem solving and logic skills to make a new creation. A new engineering adventure awaits you everyday with Mrs. Studer

Little Chefs Here's a week of recipes that are sure to please. The children will cook up recipes that not only taste good, but are good for them too. They will try new foods and get creative in the kitchen with Mrs. Massey. Recipes will be sent home to try all over again.

Messy Art What better way to explore art then to get hands on and messy! From watercolors and pastels to splatter paint, you will use all types of mediums with Mrs. Studer.

Messy Science: Let's get hands on and discover all about different science properties such as exploring solids, liquids & gases through slime & explosions Ask why and Mrs. Studer will help you find the answer.

Princess Camp: A beautiful and fun dream world full of royal and wonderful activities like making wands, and crowns and acting like a princess. On the last day dress up and practice your good manners at our Princess Tea Party with Mrs. Massey.

Star Wars: Use science to create a light saber, complete Jedi-training challenges and defeat the evil empire. Taught by Mr. Hildebrand.

Under the Sea: Mermaids, hidden treasure, colorful fish, reefs, what will we find this summer as we venture under the sea with Ms. Fecher

SCHOOL AGE K-2nd CAMPS

Arts & Crafts Bring out your creative side as you make all kinds of arts and crafts. Explore different mediums such as watercolors and pastels to taking different materials from recycled to tissue paper. Everyday will be a new creation with Mrs. Roop that lets your artsy side shine.

Books & Cooks: Everyday you will step into a new story with Mrs. Roop and then make a snack and a craft with a theme from that book. At the

end of the camp, you will take home your recipe book to retell the adventures at home.

Garden Art: Love being outside!? Flowers? Animals and gardening? We'll be making art inspired by gardens and creations for our garden with Ms. Fecher.

Lego: We will use math, problem solving, and logic skills to create through building each day with Mrs. Roop. Students will experiment, measure, build, and play with our favorite building blocks. They will experience Legos like they never have before.

Sweet Treats: Young baker's will measure, stir, bake and decorate their own sweet treats with Mrs. Studer and learn new techniques to decorate cookies

Under the Sea: Sharks and dolphins, sea turtles and rainbow fish- spend a week at sea with Mrs. Roop! We will explore the awesome creatures of the ocean through crafts, games, books and snacks.

Wacky Summer Olympics: We are bringing the Olympic games to The Academy~ wacky style with Mrs. Moore. We will learn about the history of the games, have our own opening and closing ceremonies & play lots of games. Let's get into the Olympic spirit.

SCHOOL AGE 3rd-5th CAMPS

Chocolate Fever: This is a camp for chocoholics! Spend the week with Ms. Teter exploring chocolate through cooking & baking in new and creative ways. Campers will be surprised by how many different ways there are to use chocolate!

Food Around the World: Join Ms. Teter to eat around the world in 5 days! Campers will spend the week learning and immersing themselves in other cultures through food. We will cook, bake, and taste all different kinds of foods from other countries.

Games, Games, Games: We will spend the week playing all kinds of games from video games, board games, to game shows, and outdoor games! We will learn about being fair players using good sportsmanship with a little competition with Ms. Teter

Messy Art: We will spend the week exploring and creating with different art mediums. Campers will be encouraged to immerse into their materials. Campers will learn about and explore colors, textures, and different types of medias with Ms. Teter

Stop Motion: Spend the week with Ms. Teter learning about and creating stop motion movies. Campers will explore how stop motion is made, then we will use the iPads to plan and record our own stop motion movies. We will then have a movie marathon on the last day of camp to watch everyone's movies!

STEAM: STEAM is the collaboration of science, technology, engineering, art, and math. Campers will not only learn the connections between these topics but apply them through experiments and creations with Ms. Teter.

Sweet Treats: Young baker's will measure, stir, bake and decorate their own sweet treats with Mrs. Studer and learn new techniques to decorate a cake.

Please pack a water bottle & snack (no nuts) each day. All Camp fees are non-refundable
