

CinDay Summer Camp Descriptions

Preschool Camps

Little Builders- What can you build today? Join CinDay art teacher Mrs. Studer for a week of Lego blocks, Lincoln logs and crazy, giant blocks. Building helps to engage children in fun ways to develop problem solving and spatial reasoning skills.

Under the Sea- Explore the ocean and all its wonders with Mrs. Pheanis through games, crafts, stories and more. We will dive into ocean animals and the beach through fun, sensory filled activities. If we cannot have the beach here in Ohio, we will bring it to us!

Princess Camp- Join Mrs. Massey for our princess preschool camp, full of royal themed crafts and games. We will excavate ice castles, learn about what kind of character traits a true princess go on a treasure hunt, have a tea party, and dress up like a princess everyday if so desired! Your little princess will surely be swimming in sparkles and glittery things all week.

Enchanted Forest- Come alongside Mrs. Jolley to discover the magical world of unicorns, fairies, and mermaids! Get ready for a week of stories, crafts, pretend play, and lots of glitter!

Prince and Princess Camp- Hear ye, hear ye, come one, come all to the Castle of Kindness. The best leaders know the importance of being kind to everyone they meet. At this camp we will read stories and play pretend as we explore how to lead with kindness. Taught by our drama director, Mrs. Carrol, this camp will conclude with a very special tea party.

Digging into Nature- Join Mrs. Pheanis outside where we discover the plants and animals that live right in our own backyards. We will explore everything from bugs to plants through hands on play at our Digging into Nature camp.

Wacky Water Games- Do you like to play in the water? Then wacky water camp is the place for you! We will have a fun week of water games and exploration with preschool teacher Mrs. Pheanis. Be sure to wear your bathing suit and get ready to get wet.

School Age Camps, Kinder- Second

Rainforest Wonders- Run like a jaguar. Swing like a monkey. Fly like famous Blue Morpho butterfly. Mrs. Herbert's camp will explore the wondrous animals and plant life in the rainforest. Through games, crafts, stories and activities, your little scientist is sure to have fun!

Messy Art- Mrs. Studer's camp will focus on creating art imaginatively and playfully. Activities include finger painting, clay sculpting and working with different types of paint and glue. Campers will have fun an engaging art experiences that are not limited by the fear of making a mess. Have fun, get messy, and make art!

Wild Kratts- Let's get creature adventuring! Come join Mrs. Magness as we visit different habitats and explore all types of amazing animals!

Star Wars Camp- Calling all Padawans! This summer, CinDay Academy will be the official docking bay for your Jedi training. Use the force and join Jedi Master Hildywan Kenobi (Mr. Hildebrand) as we make droids, build our lightsabers, and go on a dangerous journey to find the plans to the Death Star!

Crazy Color Camp – Join art teacher, Mrs. Hildebrand, for a special art camp focused on everything COLOR. Be prepared for a week of fun with hues across the rainbow.

Wonders of Water- In this camp we will learn, create, explore, and play; all with water at the center of the fun. Pack extra clothes for this camp with Mrs. Carroll because we will get wet!

Christmas in July- It's the most wonderful time of the year! Be ready to listen to your favorite holiday music while you enjoy snow (cones), gift making, and games galore with Mrs. Jolley.

School Age Camps, Third-Fifth Grade

Harry Potter- All aboard the Hogwarts Express... to Hogwarts we go! Come join Mrs. Magness and Mrs. Coomer as we explore the magical world of Harry Potter through crafts, science experiments, play, and more!

Nature Art- Join Mrs. Hildebrand for a week filled with creating art using both natural materials and man-made materials.

Basketball Camp- To all basketball fans, dribble on up and shoot for this fun camp with Mrs. Moore. We will be working on all things basketball- dribbling, shooting and game skills.

Mechanical Camp- Have you ever wondered how things work, what's on the inside of your electronics, or how to fix them? This week's camp with Mr. Hildebrand will explore the tools we use with the help of the three Rs (repair, restore, and repurpose)! As a bonus, we'll also dig into some legos to make robots and products of our own!

School Age Camps, Third- Eighth Grades

Babysitting Class- Do you love children and want to become a safe sitter? Then CinDay Babysitter's Club is the right place for you! Babysitting requires skills in safety, creativity, adventure, and play. With Mrs. Pheanis, campers will explore healthy eating habits, activity planning for little ones, first aid/CPR, and business promotion. The babysitter's club will equip you with these tools and more to be a confident babysitter.

Science Camp- Every day in science camp with Mrs. Coomer will include a different, engaging hands-on experiment. Topics like the Outdoors, STEM activities, using chemicals to create slime, erupt volcanos and so much more will engage your kiddos in all sorts of science fun! We will also use science to create a delicious snack on Friday!

Drama Camp- To be or not to be? This camp is perfect for aspiring actors and actresses to start learning the basic elements of drama with CinDay Drama Director, Mrs. Carroll. With lots of fun and games and performing mini skits throughout the week, your actor is sure to tap into their inner Shakespeare!

Sports Camp- Join Mr. Toller for a week of sports and games. We will explore a variety of different athletic endeavors while practicing sportsmanship, hanging with friends and having fun.

Vocal Camp- Do you love to sing? Vocal camp is the place for YOU. Campers will learn about proper breath support, vocal range, voice projection and of course, sing their hearts out! Join Allie Haines, professional actor and singer, for a week you'll never forget, ending with a showcase of camper talent!
