

**Preschool (PS):** Ages 3-5  
**School Age (SA):** 1st-5th

**Schedule:** Monday-Friday 9:00 -11:30

**Cost:** \$95 / Cooking Camps \$105

**June 8-12**

Little Builders (PS)  
Cooking UP Art (PS)  
STEAM (SA)

**June 15-19**

Flutterflies & Twinklebugs (PS)  
Paw Patrol (PS)  
Cookout Camping (PS)  
Fashion Designer (SA)  
Rock Climbing (SA)

**June 22-26**

Dino Dig (PS)  
Fairy Tale Books & Cooks  
(PS)  
Pokemon (SA)  
Sweet Treats (SA)

**July 6-10**

Animal Adventures (PS)  
Dinosaurs & Dragons (PS)  
Creating with Clay (SA)  
Lego Camp (SA)

**July 13-17**

Princess (PS)  
Dive into the Sea (PS)  
Cupcake Wars (SA)

**July 20-24**

Frozen (PS)  
Little Chefs (PS)  
Messy Art (SA)

**ACADEMIC ENRICHMENT CAMP: 1ST-5TH**

Hoping for a bit of academic engagement for your child this summer? We've got you covered. CinDay is excited to offer an enriching program every week 9-11:30 that will provide individualized, hands-on learning experiences for your incoming first through fifth grade student. Using meaningful and high interest topics to integrate subjects, your child will participate in daily reading, writing, and math activities with Mrs. Roop, a CDA elementary teacher. Our goal is to keep brains active, review important content standards, and provide opportunities for challenge and growth.

**Need after care? Stay at CDA until 6pm! Register online.**  
CDA follows all guidelines provided by the Ohio Department of health to keep everyone safe.

**Register Online**

# Camp Descriptions

## **PRESCHOOL—KINDERGARTEN CAMPS (PS)**

**Animal Adventures** Lions, cows & rabbits.. Oh my! Spend the week learning all about the animals in the world from zoo to farm and pets. We will cover them all. You will even meet the CDA pets!

**Cooking Up Art** Have you ever been told to stop playing with your food? Not at this camp! We'll create "food art" by making both food that looks like art and art that looks like food. It will be creative, fun, and delicious.

**Cookout Camping** Get out and explore the great outdoors. Build a (pretend) fire and pitch a tent as you get ready to learn some camp cooking skills. S'mores never tasted so good as you sing around a campfire.

**Dino Dig** Learn about the different types of dinosaurs and the time in which they lived. Enjoy activities like graphing lengths of dinosaurs, making your own dinosaur and cracking dinosaur eggs. Become a real paleontologist as you dig in our 2 fossil pits and uncover 600 million year old fossils.

**Dinosaurs & Dragons** Turn around, stomp the ground, show your claws, snap your jaws. Get ready for a week of fun games, crafts, songs and stories all about magical dragons and mighty dinosaurs.

**Dive into the Sea** Sharks and dolphins, sea turtles and rainbow fish- spend a week at sea with us! We will explore the awesome creatures of the ocean through crafts, games, books and snacks. .

**Fairy Tale Books & Cooks** Everyday you will step into a new fairytale. Read the story and then make a snack and a craft with a theme from that fairy tale. Caramel apples for Snow White, Fruit kabob magic wands for Cinderella. A new story awaits you and at the end of the camp, you will take home your recipe book to retell the fairytale adventures at home.

**Flutterbys & Twinklebugs** Explore the world of insects.. bees, butterflies and fireflies & nature through a series of fun projects & activities. Learn about pollinators, why they are so important, and ways that we can help their work.

**Frozen** Disney's Frozen is one giant fairy tale of the Snow Queen. Learn more about this famous & fabulous tale and then go on a magical adventure as you make crafts, put on puppet shows and make your own book.

**Little Builder** What can you build today? We will be using legos, blocks, Lincoln logs and crazy, giant blocks to use our math, problem solving and logic skills to make a new creation. A new engineering adventure awaits you everyday.

**Little Chefs** Here's a week of recipes that are sure to please. The children will cook up recipes that not only taste good, but are good for them too. They will try new foods and get creative in the kitchen. Recipes will be sent home to try all over again.

**Paw Patrol:** Go on a different adventure each day as we learn about one of the dogs from Pal Patrol. Marshall day - Firefighting, Rocky day - Recycling, Chase - Police, Zuma - water rescue, & Sky, airplane.

**Princess Camp:** A beautiful and fun dream world full of royal and wonderful activities like making wands, and crowns and acting like a princess. Who is your favorite? On the last day dress up and practice your good manners at our Princess Tea Party.

## **SCHOOL AGE 1ST-5TH CAMPS (SA)**

**Creating with Clay:** Join us for clay camp, where kids learn the basics of ceramics hand-building. Campers will experiment with a variety of types of clay and discover ways to build functional pottery as well as creative sculpture. Kids will learn, create, get messy and have fun.

**Cupcake Wars** If you're curious about how the pros create those elaborate cupcakes or you love some friendly competition, this camp is for you! To start the week, we will learn basic measuring, mixing and baking skills. We will also learn and create different types of decorating. We will end the week with a team "Cupcake Wars" competition with some special guest judges.

**Fashion Designer** Become a fashion designer by spending the week creating your very own fashion line. We will explore and design different types of clothing and accessories. You will even get to show off your new styles to your family in a fashion show on the last day of camp.

**Lego Camp** We will use math, problem solving, and logic skills to create through building each day of this camp. Students will experiment, measure, build, and play with our favorite building blocks. They will experience Legos like they never have before.

**Messy Art** We will spend the week exploring and creating with different art mediums. Campers will be encouraged to immerse into their materials. Campers will learn about and explore colors, textures, and different types of medias.

**Pokémon** Start your journey as a Pokémon Trainer. Come "Catch 'Em All" during this fun-filled week. We will learn and create everything we need to become the top Pokémon Trainers. Whether you are a Pokémon master or a beginner Pokémon Trainer, this camp is for you!

**Rock Climbing** Unplug & engage with new friends as you embrace the challenge to learn climbing skills Climbers will spend time exploring climbing routes and boulder problems with professional instruction. Students will also learn and practice belaying, climbing safety, climbing movement, and anchor building.

**STEAM** STEAM is the collaboration of science, technology, engineering, art, and math. Students will not only learn the connections between these topics but apply them through experiments and creations.

**Sweet Treats: Cake Decorating** Young baker's will measure, stir, bake and decorate their own sweet treats. They will learn how to level a cake, make a crumb layer, fill and ice a cake, and piping techniques. At the end of the week, each camper will bring home his or her own decorated cake.

**Please pack a water bottle & snack (no nuts) each day. All Camp fees are non-refundable**
