

PRE THRU 12 PRIVATE SCHOOL

11 Sycamore Creek Dr.
Springboro, Oh 45066
CinDayAcademy.com

The CinDay Academy is *the* private, independent Pre–12th school in Southwest, Ohio, offering all students individualized learning plans based on cutting-edge brain science research. Coached by a team of devoted teachers, career and college advisors, CinDay Academy students develop their unique talents and interests toward personalized goals.

With a rich and rigorous curriculum, the high school classroom capitalizes on hands-on teaching, digital technology, project-based learning and extended learning opportunities, all designed to boost student achievement. A team of specialists work with students to chart their paths for three key areas: academics, social skills and career path. At CinDay, the focus on project based learning, college prep and 21st century skills enables all students to achieve, thrive, and flourish.

Student Opportunities

- A dedicated **academic-, college-, career- and social advisor** who prepares a personalized learning plan and tracks the student's individual progress in consultation with specialized content teachers
- For each course, there is a **choice of curriculum** based on teacher-directed, online, project-based or flex credit with course levels based on individual ability, **pathways for accelerated students**
- Age-appropriate **instruction in social-emotional & brain-based learning**, including: The 4 C's key career skills– communication, collaboration, creativity, and critical thinking.
- Individual **college counseling and the opportunity to earn college credit** in 3 ways: AP, CLEP, CCP dual credit courses
- Access to our **network of field professionals and corporate partners**, to experience in-school career visitors and job shadows at different places of employment based on future career exploration
- **Individual and group field studies**, tailored to the student's interests, strengths & aspirations
- **Paid Internships** in various industries; i.e. information technology, education, physical therapy
- Offering of **student clubs**, i.e. Theatre, National Honors Society, Math and Student Government
- **Educational travel** to historical sites, i.e. Boston, Charleston, St. Louis, Flight 93 Site, Washington DC, and Chicago
- Spring 2024 **Study Abroad** to London, Paris, Switzerland and Germany. Opportunity to earn college and/or high school credit. Study Abroad travel offered every other school year
- Integration into High School **sports teams** and **band** at public High Schools in the surrounding area
- **Senior capstone** class. Seniors complete a group project; including fund raising, labor involved and soliciting training to build/ implement.
